## Basket Ball

Two games of basketball were played by Union College team since our last issue, one with the Williamsburg Institute, which resulted in a victory for the home boys by the score of 28 to 20 last Saturday, and one with the team from S. B. M. S. of London, Monday afternoon which was won by the visitors by the score of 30 to 17.

This was the first game with Williamsburg and gives the U. C. boys the edge on them for the championship of South-eastern Kentucky. The other game with S. B. M. S. played on their grounds resulted in a victory for the Union College team and thus gives them an even break with that team. Other games will be played until the championship is decided and with the team playing the same kind of ball in the future that they did in the past two games the Union team should land at the top of the heap.

## Union 25 Williamsburg 20

Before a small crowd of spectators there was given last Saturday one of the best exhibitions of clean, fast basketball ever seen in Bar-

bourville. The team of Union College defeated that of Williamsburg Institute. The visiting team fought hard from start to finish and took their defeat like gentlemen.

Summary of the game:  
Union Position Williamsburg  
Brown left forward Ellison  
Simms right " Rowland  
Faulkner center Shank  
Comley left guard Adkins  
Carroll right " White  
Field goals: Brown, 7; Simms, 4; Ellison, 4; Shank, 2; Faulkner, 1; King, 1.  
Foul Goals: Brown, 4 out of 10, Ellison, 5 out of 14.  
Points awarded: Williamsburg 1. Referee, Jones. Umpire, Ricketts. Attendance 100.—Contributed.

## London 30 Union 17

The followers of Union's Basket Ball team were disappointed Monday in seeing them go down in defeat before London. The team failed to display the form they had shown Saturday in the Williamsburg game. The game was marred by the frequent disputes arising from the prejudiced decisions of the youthful and incapable referee from London. It is to be hoped that hereafter London will secure for referee a man who can fill his position in the same gentlemanly manner that the members of her team now do. For no criticism can be made to the conduct of the players either on or off the field.

Summary of the game:  
Union Position London  
Brown left forward Johnson  
Simms right " Smith  
Faulkner center Kinnear  
Comley left guard Lewis  
Carroll right " Keischner  
Field goals: Kinnear, 7; Johnson, 2; Simms, 2; Brown, 2; Lewis, 1; Comley, 1.  
Foul goals: Brown 7 out of 15, Smith 8 out of 12. Referee: Fleece Hardin. Umpire, Ricketts. Attendance, 60.—Contributed.

## Hunting Season Opens

Last Friday was the opening of the hunting season in Kentucky and many were the hunters who went forth to slay and eat and many returned after spending a day in which they neither slay nor ate. Reports from the hunters this year indicate that there are fewer quail than for many years, a condition probably brought about by the heavy rains last spring which drowned out the young birds. Ye editor was among those who fared forth last Friday morning full of hope and a desire to kill and returned home late in the afternoon full of despondency and cackle burrs.

S. T. Davidson and W. R. Barner, as usual spent the opening day at the farm of D. B. Faulkner and report one of the biggest kills of the season. (Killing took place about noon—for further particulars ask Mr. or Mrs. Faulkner.)

V. C. McDonald is reported to have almost shot a rabbit the first day out.

George Tinsley returned from his first day's hunt with about the largest collection of game of any who went out that day. Probably used different ammunition from that used by us and some of the other unfortunates.

"Sheepy" Vermillion is about to get over being gun-shy, and can now walk about as far and eat about as much as a full-fledged hunter—with probably one exception.

We have just figured up the cost per head of the birds we landed our first day out, and it was some where near 43 cents. And still we complain about the high cost living.

## Saving Old Trays.

When a japanned tray becomes old and chipped, give it two coats of white paint and one of enamel, the bottom as well as the top. Stand it on the edge to dry after each coat. It will be found as good as new, as well as very pretty. The enamel is easily renewed.
